development@unioncityga.org

LOOKING AHEAD

Progress: Gateway Project

The city is working to obtain funding to establish a new gateway entrance at the major intersection of Jonesboro and Goodson Connector Road. This beautification project will help to celebrate the uniqueness of the community and showcase the culture, tradition, and pride of its residents and businesses.

All Eyes on U.C.

Union City is revitalizing and with that comes internet and web based searches for information on the community such as lodging and accommodations as well as available businesses or services. Web sites including City Data, Kyak.com, Booking.com, Travelocity.com, post ratings that are viewed by many. Please be sure to take stock in your ratings. It is a great source for performance information. You only have one chance to make a good impression!

Ordinance Updates

On January 11 2016 the Mayor and City Council will host a Public Work Session on Sign Ordinance revisions at 6:30 pm at City Hall. Proposed changes include new maintenance and appearance regulations, signage design standards, new development signage and electronic billboard regulations. The draft document may be obtained from the Community Development Department.

On February 8, 2016 a Public Work Session will be held on the Town Center Mixed Use (TCMU) district revisions at 6:30pm at City Hall. Updates will provide detailed development requirements. The draft document may be obtained from the Community Development Department.

Job Fair-Thank You!

Many thanks to all the Job Fair participants! We had a great turn out with over 500 job seekers and 21 employers.

Business Resources

The Georgia Small Business Development Center (SBDC) offers a variety of classes and information to assist your business. "Digital Marketing Boot Camp" is a great course to provide you information on how to use your web site to best promote your business. Visit the SBDC web site today at www.georgiasbdc.org
