

Engineer's Certificate Flood Plains

I, _____, a registered Professional Engineer in the State of Georgia, hereby certify that the grading and drainage plans for the project known as _____ lying in land lots _____ district, Union City, Fulton County, have been reviewed under my supervision, and state that in my opinion, the execution of said plans will not diminish the natural storage capacity of the adjacent flood plain nor cause any increase in the flood levels of the Base Flood (100 year).

This the _____ day of _____, 20_____
