

Acknowledgement and Certification Form
Land Disturbance Permit Application

Project Name: _____

The applicant for a land disturbance permit in the City of Union City acknowledges that he/she is aware of the U.S. Army Corps of Engineers Section 404 permit requirements pertaining to water of the U.S. as defined in 33 CFR Art 328.3(b) and for the project for which a land disturbance permit is requested has determined whether or not such a permit will be needed.

The applicant hereby certified (mark appropriate response):

A Corps of Engineers Section 404 permit
will be required for the project which
a land disturbance permit is requested. _____

A Corps of Engineers Section 404 permit
will not be required for the project which
a land disturbance permit is requested. _____

Applicant's Signature

Applicant's Name Printed

Applicant further acknowledges that if he/she has certified a Section 404 permit is required, the City will not issue a land disturbance permit until time as a copy of the approved Section 404 permit is provided to the City and all other permitting requirements have met.

By requiring this acknowledgement and certification, the City in no manner accepts any responsibility for the administration or enforcement of Section 404 permits. The applicant is solely responsible for securing any such permits and full compliance with those permits.
